

The organizers of Anatoly Halchynskyi International memorial conference invite for participation graduate and postgraduate students.

To join the conference applicants are welcome to pass the general electronic registration at the Conference website. In the field "Position", please, point your current status (bachelor student, magister student, postgraduate).

The special session for graduate and postgraduate students will be held at the venue of educational and scientific institute of public administration and civil service of Kyiv Taras Shevchenko national university.

More detailed information concerning the session will be provided later.

Registered participants are also welcome to take part in all conference events.

**FOR YOUR ATTENTION:** Graduate and postgraduate students, presenting their papers for publication, should also provide the reference letter (scan copy in free form) from their academic supervisor.
